Transmission Rate Continues to remain LOW

We continue to see progress in mitigation measures regarding masks, vaccines, and time for required quarantine. At this time, IDPDH has not changed any of the current mitigation measures for schools regarding masking or social distancing, and we anticipate all protocols to remain in place through the remainder of the school year.

As we are planning for the 2021-2022 school year, we would ask your participation in the following survey: <https://forms.gle/mb3xbcdDvfiHNfb39>.

Thank you for your ongoing efforts this entire school year.

Sincerely,

Mrs. Smith
