

FORRESTVILLE VALLEY SCHOOL DISTRICT #22I

SUPERINTENDENT
Mrs. Sheri Smith

May 28, 2021

Dear Forrestville Valley Community,

This is the last weekly COVID-19 update for the 2020-2021 School Year. I am proud to report we have been able to operate in-person during a global pandemic every single school day! I know this has required extra time and effort on your part as well as our staff and I want to be the first to say THANK YOU! We certainly could not have operated without your support.

I am hopeful that we are moving forward in the right direction as we continue to open our region. As part of this effort, the Ogle County Health Department is holding a Pfizer vaccine clinic at Forreston Jr/Sr High School this Tuesday, June 1st from 1:00-3:30 p.m. This is open for any student ages 12 and older. Consent forms were sent home earlier this week via skyward email. Please refer to this communication for additional information. Should you have any questions please reach out to Nurse Nelson at 815.938.2175.

The following is our data for the week:

Data	Total District	FJSHS	FGS	GVGS

Thank you again for an incredible school year. May you have a wonderful summer ahead.

Sincerely,

Mrs. Smith
